**evenflo** colours *True* LIPS by LULU SICILIANO

MANUFACTURED BY  
PERMA BLEND. LUXE MADE IN USA

True Lips is an exciting pigment set for lips curated for you by Evenflo Colours founder and PMU expert Lulu Siciliano. Like many other Evenflo products, True Lips was manufactured with high-quality ingredients and proper safety standards to help you achieve optimal healed results every time. Now with trendy mauve and fabulously pink tones, this addition to the pigment collection is

designed for Lip Blush or Lipstick techniques for both men and women. The balanced formula ensures a beautiful fading process in the long term. The Evenflo True Lips set, features 6 new colors ranging from deep, medium, and light pinks, to beautifully natural nude colors. The new, wide range of colors and EU REACH complaint formula allows artists to take on a whole new world of PMU.

#### PRODUCT FEATURES:

- High pigment load for maximum color retention.
- Specially formulated to prevent clogging in any size cartridge tip.
- Combination of organic and iron oxides.
- Reflects light and provides multi-dimensional color.
